

RIDDHIMA PANT

A recent BSc (H) Computer Science graduate from Keshav Mahavidyalaya, University of Delhi, I possess a diverse skillset and a passion for excellence. With experience in public speaking, performance arts, and strong technical skills, I offer a unique blend of creativity, communication, and problem-solving abilities. Demonstrated leadership, innovation, and a strong work ethic throughout my academic journey make me ready to leverage my talents and positively contribute to any team or organization.
